## From the President

I hope this finds you doing well and cherishing all the amazing moments in life. As we continue to navigate through this pandemic, I hope you know that your Community Choice Credit Union team is prepared to help you continue to build on your financial dreams. The past years have been challenging. We have faced unprecedented times, heartache, financial challenges, and an uncertain future. However, during challenges, there are opportunities to gain experience, become strong, and to experience new journeys.

Our vision is to provide products and services focused on enhancing your money managing experience. Our goal is to provide options suitable for you to successfully manage your accounts and to build financial wealth!

We have products and services designed to assist you in achieving your financial goals. It all starts with our free Credit Score analysis program. This program helps us to create a plan designed around achieving your financial dreams.

Knowing how to maximize your score will ensure you always get the best rates out there, which will provide you with lower monthly payments. Credit scores are tools used in hiring candidate selections and in insurance purchases. The 10-minutes spent with our team will provide you with a lifetime of benefit.

Additionally, I hope you take advantage of the products that we designed to make your life easier! Yes, they are electronic programs, however they allow you to manage your account 24/7. Here is just a quick list of the most popular ones:

- **DocuSign** – Great for closing loans.
- **Mobile Banking** – Allows you to access your account 24/7. Stop in for a demo!

We continue to play an active role in the community and within our movement. We believe that together we are stronger, and that people helping people lifts all of us up! Please follow us on the various social media channels to know what we are doing so you can join us.

In closing, thank you for being part of our amazing Credit Union community. Together we can accomplish so much! I hope you are happy, healthy, and financially strong! Please reach out to me for any comments or concerns at [rthoen@yourbetterbankingchoice.com](mailto:rthoen@yourbetterbankingchoice.com) or (303) 287-8025 x107.

# What's Your Community Choice Credit Union Story?

Community Choice Credit Union is collecting stories from our members about ways the credit union has impacted your life, your family or your financial health. At Community Choice Credit Union, we work hard to gain your trust and loyalty, so won't you please share your Community Choice "story" with us? We're not looking for anything elaborate. A simple comment of few words is just fine.

Here are some topic ideas:

- **What do you love about us?**
- **What do you think sets Community Choice apart from other financial institutions?**
- **How have we helped you with a loan, an investment or with a service you needed?**
- **How has a staff member, or group of staff members, gone above and beyond to offer assistance?**

Please share your story by July 1, 2022, including: Your name, address and the best phone number to reach you. Please email your submission to: Heather LaCrue at: [hlaCrue@yourbetterbankingchoice.com](mailto:hlaCrue@yourbetterbankingchoice.com), or drop it off at either Community Choice Credit Union office. You can also mail it to:

Community Choice Credit Union  
Attn: Marketing Department  
6921 E. 72nd Ave  
Commerce City, CO 80022

We will be collecting stories in order to select a story in October on International Credit Union Day, which will be Thursday, October 20, 2022, for a special prize! International Credit Union Day is a day where credit unions globally highlight and celebrate the spirit of "People Helping People" and the credit union movement. The day is recognized to reflect upon the credit union movement's history, promote its achievements, recognize hard work and share member experiences.

We love hearing from our members about the different ways Community Choice has impacted their lives or improved their financial health. If you would like to learn more about how Community Choice can help your individual situation, please contact us at: (303) 287-8025.

Thank you for taking the time to share your Community Choice story with us!
